80	Senske Services	Kennewick	WA

O'Leary Asphalt, Inc. is ranked no. 79 in the United States and no. 3 in the State of Maryland for their ability to handle snow and ice management. "Being recognized as a Top 100 performing organization is a testament to our commitment to provide timely and efficient snow removal service," says O'Leary Asphalt General Manager Bruce Mazenko. "It takes exceptional planning and the ability to adapt to the changes in weather at a moments notice and we pride ourselves on keeping our eye on what the customer needs in times of weather crisis," says O'Leary Co-founder Kevin O'Leary.

O'Leary Asphalt Inc. is no stranger to award winning accolades in fact, for over the past 15 years they have received annual awards of excellence in Snow & Ice Management; Asphalt Paving; Seal Coating; and Striping. O'Leary Asphalt contributes their outstanding accomplishments to the leadership and dedication of each and every employee at O'Leary. "Without employee dedication and a genuine concern for providing the best customer service, we would not be here today," says O'Leary Chief Financial Officer and Co-founder, Jerry O'Leary.

If you have questions about Snow & Ice Management Services and would like to speak with an O'Leary Asphalt representative, please give us a call at (301) 948-0010. We welcome the opportunity to speak with you and look forward to providing you with a comprehensive and effective snow & ice management solution.
